

Welltec

Global Pressure Seal Solutions

OfficeMate 2d

The Ultimate Desktop Pressure Sealer

The OfficeMate 2D is the most economically priced, user friendly Desktop Pressure Sealer and Paper Folder, providing excellent seal quality when using pressure seal stationery.

It is one of the quietest systems in its class, perfect for the office environment and processes up to 2000 forms per hour. Being compact and easy to use, this is the ideal machine for the low volume user. It is capable of processing all common fold types including Z fold, V fold and C fold* pressure seal stationery.

It can also be used as an Office Paper Folder, for daily Invoices, Letters, Memo's and many more single piece documents.

Maintenance

Welltec System (UK) offer Annual Maintenance Contracts for added peace of mind.

These consist of 8 Working Hour Response, All Parts & Labour, Preventative Maintenance and Full Telephone Support. Alternatively, a bespoke maintenance package can be tailored to meet your specific requirements.

Please Note: Maintenance contracts outside Mainland UK may vary
